

PROFI SLIM LINE LED KIT 2X14W WITH POWER SUPPLY

DETAILED CARD

TECHNICAL PARAMETERS

Nominal power [W]:	28
Colour temperature [K]:	4000
Luminous flux [lm]*:	3500
Supply voltage [V]:	220 - 240
Luminous efficacy [lm/W]:	125
Ingress protection:	IP65
Impact resistance:	IK10
Electrical protection class:	III
Colour rendering index:	80
Diffuser material:	PC

CHARACTERISTICS

PROFI SLIM LINE LED is an innovative luminaire that provides a strong luminous flux, incomparably higher than in traditional fluorescent lamps. The luminaire is characterized by a compact structure (its diameter is only 20mm), thanks to which it will effectively fit into the mounting location. Luminaires are offered in selected sets with a dedicated mounting system (mounting brackets or magnets) and integrated with an easy-to-connect wiring system, connectors, and power supply. Thanks to this, you can easily create a connection configuration, and the installation of the luminaire system is intuitively simple and fast. Standardly available in sets: 2, 4, and 6 pieces.

Optional:
- color temperature: 3000K, 5700K,
- any sets.

APPLICATION

The luminaire is especially recommended for lighting car lifts, workshops, machines, and industrial surfaces.

TECHNICAL PARAMETERS TABLE

Index:	378805	Material of the body:	ABS
EAN:	5905963378805	Colour of the body:	black
Nominal power [W]:	28	Dimensions (H/W/T/S) [mm]:	ø20/1160
Luminous flux [lm]:	3500	Working temperature [°C]:	from -20 to +35
Colour temperature [K]:	4000	Plug type:	UNI-SCHUKO
Supply voltage [V]:	220 - 240	Wire type:	H07RN-F
Frequency [Hz]:	50 - 60	Cable length [m]:	2
Ingress protection:	IP65	Accessories included:	mounting brackets
Impact resistance:	IK10	Net weight [kg]:	1.800
Electrical protection class:	III	Warranty [years]:	5
Colour rendering index:	80	Additional accessories:	Uchwyty magnetyczne
SDCM:	≤ 3	Photobiological safety:	Risk Group 1 (no photobiological hazard under normal behavioral limitation)
Beam angle [°]:	120	CE certificate:	286/2023
Diffuser material:	PC	Warranty [years]:	5
Diffuser type:	transparent	Manual:	Download PDF
