| <b>Colour of the body:</b>                          | black      |

## CHARACTERISTICS

Suspended or surface-mounted ring-shaped LED luminaire, allowing for an attractive arrangement of representative interiors. The luminaire is made of steel powder coated in white, black or other color to fit the character of the interior. The milky diffuser made with thermoforming method emphasises the decorative character of the luminaire. The pendant option includes a complete pendant system with a central box.

Multi LED versions allow you to choose from 4 flux and power settings increasing the versatility and functionality of the luminaire, while reducing the number of indexes to the necessary minimum.

## APPLICATION

SOLANTO is an extremely glamorous pendant or surface mounted luminaire, dedicated to such interiors as lobbies, receptions, shopping malls, showrooms. It can be also used in apartments and apartments, perfectly fitting into stylish surroundings.
