## RQ 220 LED PLUS N 2300LM DALI 830 IP20 II CL. PRM 17W

DETAILED CARD

#### **TECHNICAL PARAMETERS**

Index:	947490
Rated power of the luminaire [W]*:	17
Luminous flux [lm]*:	2300
Luminous efficacy [lm/W]:	136
Energy efficiency class:	D
Electrical protection class:	Ш
Colour temperature [K]:	3000
Colour rendering index:	80
Diffuser material:	PC
Diffuser type:	PRM

### CHARACTERISTICS

RQ 220 LED N PLUS is a new line of round downlights. Designed from the ground up, the design introduces new solutions to ensure excellent light performance. The body is made of plastic, so it is characterized by low weight. The diffuser provides the lamp with excellent light characteristics. Integrated LED module Provides low electricity consumption and all the advantages of modern lamps with LED source for investment lighting.

### APPLICATION

Designed from scratch, the design introduces new solutions to ensure excellent light performance. The body is made of plastic, so it is characterized by low weight. The lampshade provides the lamp with excellent light characteristics. Integrated LED module Provides low electricity consumption and all the advantages of modern lamps with LED source for investment lighting. The lamp is especially recommended for office spaces, spacious corridors and public spaces.
