

MESSAGGIO 701 MM 1900 LM 830 IP20 I CL. 18 W WHITE

DETAILED CARD

TECHNICAL PARAMETERS

Index:	575549
Light source:	LED module
Rated power [W] - range:	18
Luminous flux of the luminaire [lm] - range:	1900
Supply voltage [V]:	220 - 240
Frequency [Hz]:	50 - 60
Electrical protection class:	I
Colour temperature [K]:	3000
Ingress protection:	IP20
Diffuser material:	PC

CHARACTERISTICS

The Messaggio collection, designed by Dorota Koziara, includes pendant lamps with a minimalist form. They can come in all RAL colors, including a multicolor version, where the outside of the housing and the inside of the lamp have different colors. In this way, Messaggio provides unlimited design possibilities.

Thanks to the possibility of adjusting the length of the pendants from the Messaggio lamps, surprising light compositions can be created. Versions with DALI control allow you to change the value of the light output, which further enhances the decorative effect. The milky lampshade is made of PC, while the housing is made of solid yet visually delicate steel, which ensures the durability of the product.

APPLICATION

Messaggio is a collection within which it is possible to create multicolor variants of lamps. In addition, the juxtaposition of their different versions - pendant, wall sconces and standing - allows you to create phenomenal light-decorative compositions, which will work well in places such as hotels, restaurants, art galleries, shopping malls, representative spaces, as well as private homes.
