

# MESSAGGIO BRACKET 1541 MM 2000 - 3400 LM 840 IP20 I CL. 35 - 64 W BLACK

DETAILED CARD

## TECHNICAL PARAMETERS

<b>Rated power [W] - range:</b>	35 - 64
<b>Luminous flux of the luminaire [lm] - range:</b>	2000 - 3400
<b>Luminous efficacy [lm/W]:</b>	53
<b>Electrical protection class:</b>	I
<b>Colour temperature [K]:</b>	4000
<b>Diffuser material:</b>	PC
<b>Diffuser type:</b>	OPAL

## CHARACTERISTICS

Wall lamps from the Messaggio collection, available in a variety of colors and sizes, can create spectacular light and decorative compositions, designed according to the architect's individual concepts. The LED modules used in the lamps ensure a high level of energy efficiency. The steel, solid, yet visually delicate housing can be painted in the interior and exterior parts in two different RAL colors. The milky lampshade is made of impact-resistant polycarbonate.

Messaggio wall lamps also come in a version with DALI control, which allows you to adjust the value of the luminous flux.

## APPLICATION

Messaggio is a collection within which it is possible to create multicolor variants of lamps. In addition, the juxtaposition of their different versions - pendant, wall sconces and standing - allows you to create phenomenal light-decorative compositions, which will work well in places such as hotels, restaurants, art galleries, shopping malls, representative spaces, as well as private homes.
