

# SKVER S R 5300LM 830 RM7 WJ IP66 II CL. DALI ZG B 0 (39W)

DETAILED CARD

## TECHNICAL PARAMETERS

<b>Index:</b>	435676
<b>Ingress protection:</b>	IP66
<b>Impact resistance:</b>	IK10
<b>Rated power of the luminaire [W]*:</b>	39
<b>Luminous flux [lm]*:</b>	5300
<b>Colour temperature [K]:</b>	3000
<b>Colour rendering index:</b>	> 80
<b>Electrical protection class:</b>	II
<b>Optics:</b>	RM7
<b>Socket type:</b>	ZHAGA

## CHARACTERISTICS

Skver LED S R is a new generation of LED park and city lighting in a suspended version. It uses directional multi-lens matrices made of PMMA, each lens having the same optics, ensuring the stability of the light characteristics over time. The design ensures that the internal chamber of the luminaire is kept tight. As standard, the luminaire offers tool-free access to the electrical equipment using two independent knobs, which, on request and to protect against vandalism or uncontrolled opening, can be optionally permanently secured with screws. The upper part of the luminaire has a dedicated hinge. The luminaire allows the replacement of the integrated internal power supply/light module (made in accordance with the ZhagaBook 13 and ZhagaBook 15 standards) without tools, quick and convenient service is possible, allowing the replacement of one integrated component without the need to dismantle the entire luminaire and make soldered or screwed connections. There is no need to perform service work on site. Just replace the module with a spare one (accessory), close the luminaire and then perform service work at a service location: at the luminaire owner's facility or send it to the manufacturer's service. The body and handle are made of pressure-cast aluminum, powder-coated in black, and are characterized by a very high degree of tightness IP66 and resistance to mechanical impacts IK10. Standard equipment: protection against accidental overheating of the luminaire NTC; fully programmable DALI driver; available functions for maintaining a constant luminous flux during CLO and autonomous, 5-step power reduction; connection terminals; tool-free access. Additional options: accessory canopies that change the external appearance of the luminaire, ZHAGA connector (ZhagaBook 18); cooperation with control systems, anti-vandal protection with screws; additional SP10kV protection outside the power supply, on/off power supply without power reduction; knife switch disconnecting the voltage of the integrated module in the event of opening the chamber; execution with a cable terminated with a quick connector; painting in any color from the RAL palette. Certificates: CE.

## APPLICATION

External areas of places such as: town halls, libraries, city offices, healthcare facilities, schools, preschools, public gardens, streets, sidewalks, recreational areas: sports fields, playgrounds, bike paths, historical sites, old towns.

## TECHNICAL PARAMETERS TABLE

Index:	435676	Dimensions (H/W/T/S) [mm]:	316/363/363
Rated power of the luminaire [W]:	39	Mounting dimensions [mm]:	42/25.4/19.2
EAN:	5905963435676	Impact resistance:	IK10
Luminous flux [lm]:	5300	Ingress protection:	IP66
Category type:	street lighting	Mounting version:	suspended
Colour temperature [K]:	3000	Lateral surface (SCx) [m2]:	0.062
Light source:	LED module	Working temperature [°C]:	from -40 to +50
Luminous efficacy [lm/W]:	131	LED lifespan L90B10 [h]:	100000
Energy efficiency class:	D	DIMM DALI:	yes
Supply voltage [V]:	220 - 240	Sockets:	1
Frequency [Hz]:	50 - 60	Control:	Yes + 5-stage power reduction
Electrical protection class:	II	Protection type:	NTC + ESD
Socket type:	ZHAGA	Net weight [kg]:	6
Colour rendering index:	> 80	Wire type:	HO7 RNF-2x1
SDCM:	≤ 4	Cable length [m]:	1.90
Diffuser material:	PC	Number on the palette [pcs]:	24
Diffuser type:	transparent	Photobiological safety:	RG0 - exempt (no photobiological hazard)
Diffuser colour:	transparent	Technical Warranty:	5 with the possibility of extension to 10
Optics material:	PMMA	CE certificate:	<a href="#">09/2025</a>
Optics:	RM7	Zhaga-D4i:	<a href="#">ZG430121062024</a>
Material of the body:	powder coated aluminium	Environmental Product Declaration (EPD):	<a href="#">683/2024</a>
Colour of the body:	black	Manual:	<a href="#">Download PDF</a>
