### TERRA BALANCE Z 1440X300MM 1750LM 840 GRAYL 70D (16W)

**DETAILED CARD** 

### **TECHNICAL PARAMETERS**

Index: 806414

Rated power of the luminaire [W]\*: 16

Luminous flux [lm]\*: 1750

Colour temperature [K] - range: 4000

Material of the body: PET + steel

Colour of the body: light gray

**Dimensions (H/W/T/S) [mm]:** 1440/300/48

Mounting version: suspended

#### CHARACTERISTICS

Terra Balance is a modern solution combining advanced acoustic features with professional lighting, made from an environmentally friendly material - recycled PET. The product is an innovative response to contemporary interior design needs, where both functionality and aesthetics matter. The luminaires are made from high quality recycled PET felt. The material is characterised by its lightweight and durable structure, which was obtained from recycled plastic bottles. This makes the product fully ecological and environmentally friendly. Terra Balance effectively absorbs sound waves, reducing echoes and improving speech intelligibility. The product works well in spaces with hard surfaces such as glass. concrete or wood interiors. The luminaires are equipped with a compact LED louver that provides a low glare factor (UGR 12-19). The lamps are available in colour temperatures: 3000K, 4000K and Tunable White in the range 2700-6500K. There is a choice of 6 basic colours, with the option of ordering 6 further colour variations. Luminaires made of PET are characterised by exceptional resistance to moisture and mechanical damage. The material is easy to clean and fully recyclable. The product is distinguished by its modern design and wide range of shapes and colours. It is compatible with DALI control systems and offers a variety of mounting options, including: pendant panels, acoustic ceilings, floor standing lamps and wall fittings. Terra Balance brings many benefits to users: it improves acoustic comfort, optimises lighting, provides an ecological solution and is highly functional. The product meets the highest standards in design, acoustics and sustainability.

### **APPLICATION**

Terra Balance is ideal for a variety of spaces including: open plan offices, meeting rooms, restaurants, cafes, schools, colleges and residential spaces.

### **TECHNICAL PARAMETERS TABLE**

Index:	806414	
EAN:	5905963806414	
Category type:	decorative fixtures	
Category of application:	architectural, HoReCa, commercial facilities	
Light source:	LED module	
Rated power of the luminaire [W]:	16	
Luminous flux [lm]:	1750	
Supply voltage [V]:	220-240	
Frequency [Hz]:	50-60	
Luminous efficacy [lm/W]:	109	
Energy efficiency class:	E	
Electrical protection class:	II	
Colour temperature [K] - range:	4000	
Color rendering index (Ra) >:	80	
SDCM:	3	
UGR (4H8H):	<16	
LED lifespan L70B50 [h]:	153000	
LED lifespan L80B20 [h]:	96000	
LED lifespan L90B10 [h]:	46000	
Beam angle [°]:	70	

Light distribution type:	symmetric	
Surge protection [kV]:	1	
Diffuser material:	PC	
Diffuser type:	matrix led	
Optics:	lens	
Optics material:	PC	
Material of the body:	PET + steel	
Colour of the body:	light gray	
Dimensions (H/W/T/S) [mm]:	1440/300/48	
Ingress protection:	IP20	
Mounting version:	suspended	
Working temperature [°C]:	35	
Dimensions of single box [mm]:	1450	
Number on the palette [pcs]:	40	
Net weight [kg]:	5.500	
Warranty [years]:	5	
CE certificate:	22/2025	
Manual:	Download PDF	
Plik LDT:	Download
