### ELEGANTE LED 1136MM 1400LM OPAL DALI IP44 840 (16W)

DETAILED CARD

### **TECHNICAL PARAMETERS**

Index:	388316	
Ingress protection:	IP44/20	
Impact resistance:	IK02	
Nominal power [W]:	16	
Luminous flux [lm]*:	1400	
Colour temperature [K]:	4000	
SDCM:	≤3	
Energy efficiency class:	F	
Material of the body:	aluminium	
Colour of the body:	silver	

### **CHARACTERISTICS**

ELEGANTE LED SYSTEM is a modern office fixture designed for flush mounting. It provides a combination of high light parameters and a modern decorative effect. The optical design has been designed using an iridescent diaphragm with high permeability and uniform light distribution. Available system switches allow for the design of concealed light lines in various configurations (T, X, L). The advantage of the system's roofs is the lampshade without connections to max. length 25m.

There is also a version of individual fittings.

Available 2 power options - to connect as part of:

- 30W i 15W.

Assembly should ne carried out by qualified person. Please feel free to contact our lighting designers.

#### APPLICATION

The luminaire is dedicated for internal use. For use in office and commercial facilities, in particular in representative rooms.

<sup>- 16</sup>W i 8W,

# ELEGANTE LED 1136MM 1400LM OPAL DALI IP44 840 (16W)
