CHARACTERISTICS

Messaggio small wall sconces surprise with their minimalist form and color personalization option. The lamps can be painted in any shade from the RAL palette and create phenomenal light decorations, designed according to the architect's individual concepts. The lamp housing is made of sturdy but visually delicate steel, while the lampshade is made of milky PC.

Messaggio wall lamps also come in a version with DALI control, which allows you to adjust the value of the light output.

APPLICATION

Messaggio is a collection within which it is possible to create multicolor variants of lamps. In addition, the juxtaposition of their different versions - pendant, wall sconces and standing - allows you to create phenomenal light-decorative compositions, which will work well in places such as hotels, restaurants, art galleries, shopping malls, representative spaces, as well as private homes.
