CHARACTERISTICS

Suspended LED luminaire composed of two rings (602 and 900mm), allowing for attractive arrangement of representative interiors. The luminaire is made of powder-coated steel in white, black, or any other color which matches the character of the interior. The diffusers made with thermoforming method emphasize the decorative character of the luminaire. The pendant option includes a complete pendant system with a central box.

Multi LED version allows to choose from 4 lumens and power settings increasing its versatility and functionality and at the same time reducing the number of indexes to the minimum.

APPLICATION
