SIZZANO

GENERAL CARD

TECHNICAL PARAMETERS

Rated power [W] - range:	21-37; 32-55
Luminous flux of the luminaire [lm] - range:	2000 - 3800; 3100 - 5600
Electrical protection class:	I
Colour temperature [K]:	3000; 4000
Color rendering index (Ra) >:	80
SDCM:	3
Diffuser material:	PMMA
Diffuser type:	OPAL
Diffuser colour:	white
Colour of the body:	white
Dimensions (H/W/T/S) [mm]:	630/50; 970/80;
Ingress protection:	IP40
Mounting version:	suspended
Warranty [years]:	5

CHARACTERISTICS

Sizzano – Design that Defines Space. The **Red Dot Design Award** is not just an award – it guarantees that Sizzano is a fixture that combines top-class design with functionality. Designed by Jakub Zarzyński, this ring-shaped LED pendant lamp addresses the needs of modern interiors where harmony, prestige, and technology are key.
Why choose Sizzano?
• Elegance without dominance - Classic proportions and a subtle form emphasize the character of a space without overwhelming it. Ideal for representative areas – lobbies, conference rooms, restaurants, or premium office spaces.
• High-level customization - The inner collar in black or any RAL color allows you to match the lamp to your interior design. The individually adjustable pendant length allows for complete freedom of arrangement.
• Light that creates a mood - Soft, even light (3000K or 4000K) creates a comfortable atmosphere without glare. Ideal for general or ambient lighting.
• Multi LED Technology - Four flux and power settings (2100–3600 lm) in one fixture – maximum design flexibility and a reduced number of indices.
• Durable and lightweight form - The rotomolded PMMA shade is impact-resistant yet visually delicate. The larger version boasts an impressive 970 mm diameter.
Benefits for Designers
• Consistency with the interior design – a wide color palette, two sizes, and adjustable height.
• Reduced design complexity – one fixture, many possibilities thanks to Multi LED.
• Prestige and certified quality – the Red Dot Design Award confirms the world-class design.

Sizzano is more than just a lamp – it's a piece of light architecture that inspires the creation of unique spaces.

APPLICATION

The classic proportions of Sizzano will emphasize the prestigious character of any room without the effect of tactless domination. The length of the pendant can be adjusted to individual needs and the desired final effect. The complete adjustable suspension system with the central box is supplied with the luminaire.

Multi LED versions allow the selection of 4 luminaire power and flux settings, increasing the versatility and functionality of the luminaire and reducing the number of indexes to the minimum.
