## CHARACTERISTICS

The Ilumi Ground series was designed for the most demanding customers looking for customised and economical solutions. The body of the luminaire is made of cast aluminium, which has enabled a significant reduction in weight and price. A mounting box is included.

## APPLICATION

The luminaires are ideal for illuminating garden or park spaces. Due to their lightweight construction, they are easy to install on external walls. The Ilumi Ground luminaire can be used to illuminate a wide range of spaces and objects, such as parks, gardens, terraces, squares, premises and plants.
